The South African Hindu Maha Sabha is shocked to learn of the tragic passing of KING GOODWILL ZWELITHINI KA BHEKUZULU.

We express our sincere condolences to the Royal Family. This is a loss not only for the Royal Family but for the entire South African Community.

His legacy will live on as he was an exceptional King with his foremost concern for his people was always a hallmark of his Life.

King Zwelithini always promoted reconciliation amongst all communities and celebrated the cultural and religious diversity of the region and country.

May his Majesty Our King rest in Peace.

Kind Regards,

Ashwin Trikamjee
